Dear Parents

Sun Protection

In the event of sunny weather we would appreciate it if you could apply sun protection to your child before they come in to pre-school and provide them with a sun hat. However, now that we have some children attending pre-school for extended periods it may be necessary for sun protection to be reapplied throughout the day. If you would like us to reapply sun protection please provide us with your child's cream, spray or lotion, appropriately labelled with your child's name and complete the consent form below. Thank you.

Yours sincerely

Sharon Roberts

.....

Name of child

I have provided Coleview Pre-school with sun protection for my child, labelled appropriately.

I give permission for Coleview Pre-school staff to apply the sun protection I have supplied to my child during sunny weather.
